## Important update: Farxiga WAC price

AstraZeneca has informed us of their intent to **decrease the WAC price for Farxiga, effective January 1, 2026.**

If you have inventory to return, you should begin the return process now. Ensure your return request is submitted and product is physically returned to your AmerisourceBergen distribution center before December 1.

**AmerisourceBergen will not accept returns of this product between December 1, 2025 and January 2, 2026.** Product returned after January 2, regardless of when purchased, will be credited at the lower price.

The decreased WAC price will apply to these items:
